| ACCMHX-6635- 13S | 7.5                                    | 1-5/8 ODS              | 3/4 ODS                       | 152        | 6    | 635 | 25   | 694 | 27.32 | 70 | 2.76 | 70 | 2.76 | Mounting Flange  |

\*Note-Mounting Flange for 4" ACCHX Model is available as per customer requirement

Maximum working pressure = 450 psig.  
Temperature Range: -40°C To +80°C.  
Compatible with R134A, R22, R404A ,  
R410A, R407C etc.
